

ALUREX FORTE

For cleaning severely dirty aluminium and steel

- Removes heavy grime from aluminium and steel
- Does not contain abrasives
- Can be rinsed off with water
- Dilute maximally to a ratio of 1: 20

ALUREX FORTE

DESCRIPTION

A highly-concentrated aluminium cleaner/pre-treatment agent based on organic and inorganic acids for treating and cleaning corroded aluminium and stainless steel.

RECOMMENDED USE

Alurex Forte is suitable for cleaning/pre-treating heavily corroded aluminium and stainless steel.

PRACTICAL CONSUMPTION

Consumption is heavily dependent on the degree of fouling and corrosion.

DIRECTIONS FOR USE

- Dilute Alurex Forte with water maximally to a ratio of 1:20 depending on the degree of fouling and the extent of corrosion.
- Work from the bottom to the top to avoid runs and streaks.
- Apply the product with a cloth, sponge, wide brush, or hand brush and allow to soak in for a maximum of 5 minutes
- Prevent spatters and drips.
- Do not allow the product to dry out
- Rinse off thoroughly with water.
- A car-washing brush or white pad may be used as an aid.

APPLICATION CONDITIONS

Minimum ambient temperature : 5 °C
Maximum relative humidity : 100%
Minimum surface temperature: 5 °C
Maximum surface temperature: 25 °C

CLEANING OF EQUIPMENT / SPILLS

Rinse with clean water immediately after use.

REMARKS

Dispose of the product and empty packaging as chemical waste in accordance with the local regulations and legal requirements.

Hazard

- Fatal when swallowed and in contact with the skin
- Poisonous when inhaled.
- Causes serious burns and eye injuries

Prevention

- Thoroughly wash your hands after working with this product.
- Only use outdoors or in a well-ventilated space.
- Do not eat, drink, or smoke when using this product.
- Wear protective gloves and face protection.
- Wear an apron or overalls when there is a chance of spatters.
- Wear goggles, face protection, or other full-face protection when there is a chance of direct exposure to aerosols or spatters.

Reaction

AFTER INHALING:

- Bring the person out into fresh air and ensure that can breathe easily.
- Immediately consult a doctor.

AFTER SWALLOWING:

- Rinse the mouth.
- Do not induce vomiting.

CONTACT WITH THE SKIN (or hair):

- Immediately remove contaminated clothing.

- Rinse off the skin with water or take a shower.

CONTACT WITH THE EYES:

- Carefully rinse with water for several minutes.
- If possible, remove contact lenses.
- Continue to rinse.

Storage

- In a well-ventilated location.
- Store in properly closed packaging.
- Keep locked up.
- Dispose of the content and container in accordance with local, regional, national, and international regulations.
